**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic due to its competitive pricing, fast speeds and not having to bundle it with other unwanted services. Competition is key to keeping ISPs honest.

If you give telecoms providers the authority to throttle customers service, you are complicit in creating an anti competitive market and hurting consumers.
